Re: FERC No. 14510 Red River Lock and Dam # 1 Hydroelectric Project
REQUEST FOR INFORMATION

To Whom It May Concern:

FFP Project 124, LLC is pursuing a new hydroelectric license. Rye Development, LLC is the managing entity for FFP Project 124, LLC. The proposed Red River Lock and Dam # 1 Hydroelectric Project would be located on an existing dam owned by the Army Corps of Engineers-Vicksburg District, on the Red River. A map of the area is included with this letter. The project would operate in a run-of-river mode, using flows of the Red River. The preliminary permit can be found on FERC's website at <http://www.ferc.gov>.

Your organization was identified as having management responsibilities or potential interests related to the environmental resources in the project area. Any information your organization may have regarding the environmental resources in the project area would be appreciated and can be sent to the following address:

Ms. Kellie Doherty
Rye Development
745 Atlantic Avenue
8th Floor
Boston, MA 02111
Email: kellie@ryedevelopment.com

We are requesting that information be sent to us within 30 days of the date of this letter. The information will be incorporated into a Pre-Application Document which is anticipated to be submitted to FERC in August 2016.

Sincerely,

Kellie Doherty
Vice President, Environmental
